

SAN ANTONIO HOMESCHOOL WOLVERINES

2022 Season

We are the San Antonio Homeschool Wolverines Baseball which is a High School level varsity baseball club that is organized for homeschool players and private student players. We play 3A through 6A public and private schools in the San Antonio area and surrounding cities.

The Wolverines baseball team is a group of committed young men from all the South Texas area. This would include equipment, field rentals, umpire fees, tournament fees, and improvements on our Home Field.

As our sponsor, we would list ___(your company)___ as a sponsor on our website (www.sahomeschoolbaseball.org), Facebook page and any game program materials we create. All of our the sponsors were advertise on our sports banquet program.

We are a non-profit organization 501c3 organization looking for sponsorships from high quality, well respected organizations. (Your company) is a group that we would feel honored and grateful to represent as a corporate partner. We have three sponsorship categories listed below along with an "other" amount if you would like to make a donation of a different denomination.
